STEM 207

SCHOOLS + COMMUNITY PARTNERS

BIG IDEAS.
A PLACE TO BEGIN.

LET’S BUILD A SESSION AROUND YOUR LEARNERS.

STEM 207 is developing hands-on STEM experiences rooted in Maine, with curiosity and human connection at the center.

01 **Start with an idea.**
Discuss a project, learner group and learning goal.

02 **Make room to explore.**
Plan time to build, test, ask questions and share.

03 **Make it work for your setting.**
Agree on equipment, support, timing and pricing.
